SUBMITTING ALL THE ELEMENTS OF YOUR APPLICATION

In order to complete the admissions process, the following elements must be submitted to the Admissions Office at Trinity.

To streamline the application process, Trinity requests that prospective families fill out their admissions application elements on-line. You can, however, download them for reference.

Applications are considered 'Pending' until all application elements have been submitted and the Application Fee has been paid. After all elements and have been submitted and the Application Fee paid, your application will then become 'Active' and begin processing.
