

**Rowers and their families have to eat -- and so do your neighbors.**

**McLean Crew may as well benefit at the same time!**

**Here's how:**

**Giant:**

We sell Giant gift cards in \$100 denominations. The Club earns \$4.00 on every \$100 card. Payable by cash or check to McLean Crew Club. Mention this to your neighbors and encourage them to buy a few Giant gift cards (you'll get the points!)

**Safeway:**

Go to [www.escrip.com](http://www.escrip.com) and register your Safeway Club Card to benefit McLean Crew Club. Our ID number is **154010281**. Ask your neighbors, if they don't have school-age children, to register their card to benefit McLean Crew as well!

**Harris Teeter:**

Sign up for the VIC (Very Important Customer) Card if you don't already have one, and register your VIC card with the McLean Crew Club number. Our account number is **5525**. You can register by giving the number to the cashier as you check out, or go on-line to [www.harristeeter.com](http://www.harristeeter.com) Go to the link for TIE (Together in Education) and follow the prompts to enter your VIC card number and the McLean Crew Club code of **5525**. Again, ask your neighbors, if they don't have school-age children, to register their VIC Card for McLean Crew as well!

This program is a no-brainer/easy way to raise funds for the Crew Club as you purchase groceries that you will be buying ANYWAY. If your neighbors don't have school-age children at home, ask them if they'd support McLean Crew by purchasing Giant scrip from you and/or registering their shopper's cards to benefit our rowers.
