Dazy Needs a Forever Home

Dazy is a sweet well mannered girl that is very affectionate. She LOVES to play with 'her ball' running and carrying it around the yard. She is fostered with older children ages 12 and 15 and is

great with them. Although she has been around younger children (6 and up) since being fostered and done well with them, she would do best in a house with older children who are respectful. Dazy is a bit picky about her dog friends and she needs to be a solo dog, or with a very laid back dog. Although it took a couple weeks, she is doing well with her foster brother and now enjoys chasing him around the yard. She just needs a good home with a privacy fence, since some 'old neighbor dogs' drove her nutty, she thinks she should chase other pesky dogs away too.

Dazy is a good girl, and she deserves a forever home.

If you know of a home that would work for Dazy, please contact Suzanne
